The Honorable William Casey Director of the Central Intelligence Agency Washington, D.C. 20505

Dear Bill:

L.GRIDA

The United States Senate Caucus on International Narcotics Control, which was established by Section 814 of Public Law 99-93, would like to request an informal closed briefing for members and staff by you or your designated representative on Wednesday, March 20, 1986 at 3:00 pm.

This Caucus, which consists of seven members of the Senate and five public members, to be appointed by the President, is authorized and directed to:

- (1) monitor and promote international compliance with narcotics control treaties, including eradication and other relevant issues; and
- (2) monitor and encourage United States Government and private programs seeking to expand international cooperation against drug abuse and narcotics trafficking.

We would appreciate being briefed on current Agency activities in our international narcotics control efforts. In particular, we are interested in our capability to monitor crop eradication activities in foreign countries and the extent of political corruption in these countries which can be linked to narcotics trafficking.

We look forward to your participation on March 20. Should you have any questions, please contact John Dudinsky (224-1540) or Scott Green (224-5701).
